

REVISED New Performer Commitment Requirement Form

Revised 7/18

Hello, and welcome to our company of Ballet Rincon (BR) performance families. We are grateful you have chosen our studio for your child's dance training, and are confident this experience will be rewarding for your family. The staff of Ballet Rincon takes our commitment to excellence very seriously, and thus we have developed a series of rules of understanding for our families whom wish to have their child participate in our performances. Please read this form carefully and sign and return the bottom portion of page 2 to ensure your child's eligibility for BR's 2018-2019 performance season. Please contact us at the studio office at 520-574-2804 or by email: dance@ballet-rincon.com with any questions.

I. Commitment Level –

- a. As any group activity or sports team would require, BR dancers are required to attend class and rehearsal consistently. Students participating in rehearsals (in or outside of class) for performance are allowed one excused absence per production rehearsal season, and must notify BR of the reason for the absence. Students with more than one absence jeopardize their eligibility to perform. We recognize illnesses and family emergencies, and handle these occurrences on an individual basis. Performers may not miss **mandatory** studio run-through rehearsals (TBA), Tech Week Theater Rehearsals and all required performances.
- b. Beginning at role acceptance, each dancer and his/her family must realize class and rehearsal take priority over all other extracurricular activities. Failure to do so, thus missing class or rehearsal, is considered an unexcused absence.
- c. Each dancer must have a parent/guardian signed Performance Contract on file (per dancer, per performance) to begin rehearsal and participate in performance.
- d. To ensure the safety, organization and professionalism that is the hallmark of BR performances, an adult representative from each family must agree to assist the school staff during each Concert Series by signing the Performance Parent Helper Sign-Up Sheet posted online via www.signupgenius.com. Sign-up is on a first-come, first-served basis. Families who have not signed up within the given timeframe (TBA) will be assigned a position by the BR Parent Helper Coordinator.
- e. For the students' safety, only the participant and a parent/guardian with a Parent Pass are allowed backstage at the Vail Theatre of the Arts (VTOTA). No siblings or additional guests are allowed.

II. Cost –

- a. BR strives to make participation affordable for our families. Each semester, hundreds of hours of extracurricular rehearsal and preparation time is dedicated to the success of our Concert Series Productions. Due to the intricate nature of our full-scale ballet productions, rehearsals for Ballet Levels 1-10 are held outside of class. (Rehearsal Fee Ballet Levels 1-5 - \$10 per dancer, per month, per performance season. Rehearsal Fee Ballet Levels 6-10 - \$15 per dancer, per month, per performance season.) The Nutcracker Concert Series season: August-December. Spring Concert Series season: January-May.)
