

Ballet Rincon Academy of Dance

Dress Code and Grooming Standards 2024-2025

Revised 3/24

Please Read This Information Carefully and Entirely

At Ballet Rincon we do our best to give a quality class that offers proper technique as well as fun for the students. Class attire is important in keeping class focus. Costume-looking dress is distracting in class and is saved for the stage. Dancewear should be clean and free of holes or rips. No jewelry, except "stud-style" earrings, is allowed in class.

Hair Grooming Standards

For ballet and modern classes, long hair must be pinned securely in a high bun for class. Short hair must be secured from face. All other classes require long hair in a secure ponytail.

Ballet, tap and jazz shoes, and tights may be purchased from Ballet Rincon. We offer Revolution brand dance apparel -- a high quality, professional product sold at prices lower than at retail stores. Students may also visit Danswest Danswear (5633 E. Speedway Blvd – phone 721-3082). A quality shoe and proper fit is imperative for each dancer's successful experience. **Do NOT wear the shoes until a Ballet Rincon instructor has approved them.**

Ballet Rincon also carries Revolution leotards appropriate for class. Leotards, dance shorts and jazz pants that meet individual dress code requirements can also be purchased at Danswest Danswear, ordered online at www.discountdance.com or purchased at any dance/exercise apparel store. (Discount department stores may also carry appropriate dance clothing items for children and adults, but BR recommends professional dance attire for proper fit and durability.)
